Sir,

I have the honor to state that Mr. R. B. Plumer, the Acting Special Magistrate, is at present only a Magistrate of the Second Class, and great inconvenience is being experienced in the disposal of first class cases arising within the Gold Field limits

2. He was invested with the 2nd Class powers in December 1892 and, since then, I had opportunities of judging of his work as a Magistrate and consider him to be a careful and painstaking Judge.

3. I would accordingly request

request that the Judges of the Chief Court may be pleased to move Government, to invest him with 1st Class powers, and also to nominate him as Justice of the Peace.

4. Early orders are required, as already some cases have had to be adjourned on this account, and one case against a European British Subject had to be taken to Bangalore
